

Dear Fellow Central Region Jewish Scouters and all other Scouters:

We had an extremely successful Central Region Jewish Committee Chairs Conference on March 9th, 2008. This was the first such meeting in over 20 years. All who attended were very pleased they had come and gave lots of good feedback. We will be planning future conferences which we hope all of you will consider attending given how useful this conference proved to be.

For those of you who did not attend we are attaching all the presentations and documents used at the conference as well as pictures.

If anyone needs any further assistance please feel free to contact me. We look forward to seeing the ideas discussed at the conference put into action around the Midwest.

Yours in Jewish Scouting
