

April Crew News – Crew 9351

Venturing Crew 9351 consists of five 14 year old members of Troop 351, one 18 year old who received his Eagle in Troop 351 who is now too old to be a Boy Scout, and two new 14 year old boys who were not Boy Scout previously. They are now discussing recruiting some female members as well. The United Jewish Federation of Utah now sponsors an active Pack, Troop, and Crew.

In addition to local backpacking, all eight Crew members are going on a Philmont trek this summer with the Crew Advisor who is also our Troop Committee Camping and Activities Chair. The other adults who will be on that trek are one of our Troop Committee members whose son is currently SPL, an Assistant Scoutmaster who is a Crew Committee member and whose son is an Instructor in the Troop another Assistant Scoutmaster who earned his Eagle and received the OA Vigil Honor while a member of Troop 351 and who went on a Philmont trek with Troop 351 when he was Boy Scout.

At least three of the new crew members have committed to work on their Etz Chaim emblems this fall.
