National Jewish Scout Association | Newsletter No. 3

From the President

Bruce Chudacoff | President

Welcome to the third newsletter of the National Jewish Scout Association!

NJSA is committed to supporting Scouting for Jewish youth through the National Jewish Committee on Scouting while providing a home for our members to share their Scouting experiences, build friendships, and connect with other Scouts and Scouters.

Our association continues to grow, with new members joining regularly, and we hope to reach our goal of 100 members in the coming months. You can help us get there! Tell your Scouting friends about NJSA and encourage them to become part of our growing community.

This September, we are especially excited to welcome Ricky Mason, National Chair of Scouting America, for a special question-and-answer discussion with our members.

And we are only getting started. In the coming months, we look forward to welcoming additional guests and creating more opportunities for our members to get to know one another, share their experiences, and strengthen Jewish Scouting.

Thank you for being part of the National Jewish Scout Association and for helping us build this community.

Yours in Scouting,

Bruce Chudacoff

National Jewish Scout Association

Our Goal: 100 Members

NJSA is gaining new members regularly, and our next milestone is **100 members**. Every member can help by telling fellow Scouters about the association and inviting them to join.

Building community. Sharing Scouting experiences. Strengthening Jewish Scouting.

Help NJSA Grow

The National Jewish Scout Association is building a nationwide community of Scouts, Scouters, alumni, and supporters who care about the future of Jewish Scouting.

BECOME A MEMBER

Membership is an opportunity to reconnect with Scouting, meet others who share an interest in Jewish Scouting, and become part of a growing national community.

To join, visit JewishScouting.org and find the National Jewish Scout Association in the online store.

GET INVOLVED

NJSA is more than a membership list. We want our members to participate.

Share your Scouting story. Contribute an article or photograph to a future newsletter. Participate in our programs and discussions. Help us identify interesting guests. Share your knowledge and experiences with other members.

There are many ways to contribute, and every member can help strengthen our association.

INVITE A FELLOW SCOUTER

Know someone who should be part of NJSA?

Help us reach our goal of 100 members by sharing NJSA with Jewish Scouts, Scouters, alumni, friends, and others who support Jewish Scouting.
